## Consumer Satisfaction Survey

The purpose of this brief survey is to help The SRS Group to serve your needs more effectively. By understanding when we are exceeding your expectation or when we need to improve, we can allocate our resources to provide better services and more knowledgeable staff.

Our goal is to be proactive in monitoring your satisfaction so please provide constructive feedback that we can incorporate into our strategy. Your input is valuable – satisfaction survey results are analyzed to determine if actions are needed to make improvements to the services we provide.

Please evaluate the following statements, checking the response that best represents your view.
